

TMHS THEATRE COMPANY'S
2019 FALL PATRON OF THE ARTS PROGRAM

Dear Patrons,

Tewksbury Memorial High School's Theatre Company will be performing their fall production of Lewis Carroll's literary classic, *Alice in Wonderland*, on November 14-16th at Tewksbury Memorial High School. Last year, the Playbill for our annual musical production reached over 1,000 audience members, making it a valuable opportunity for advertisement and business exposure. We recognize that patrons are more than just members; they recognize the importance of investment in education and the arts in our community, and help us reach our goals for our productions.

The TMHS Theatre Company puts on three shows a year, including our fall play, winter festival performance and our spring musical. The company provides students with an endless number of opportunities for involvement during the production process, with roles including acting, stage crew, lighting and sound design. Through their involvement with the theatre company, students gain confidence as individuals, as well as members of a team.

With the support from the Tewksbury Theatre Company Booster Club, the students truly take ownership and responsibility over their productions by raising funds for the company through various fundraisers and events which they host throughout the year. The TMHS Theatre Company relies on your help to continue the tradition of bringing such high-quality productions to the community. We understand these are trying economic times and would sincerely appreciate any financial support you can provide.

Tewksbury Theatre Company is a non-profit, tax-exempt organization and our tax-exempt designation is 501(c)(3) as determined by the Internal Revenue Service Code. Your donation to the Tewksbury Theatre Company is completely tax-deductible.

Thank you for your support and should you have any questions about our organization, please do not hesitate to contact one of the members of the staff of directors by email.

Sincerely,
Heather Ware & Jade Scarpa
